3. Clarifications sought by the States, if any :

As intimated earlier, by Tripura, during tour of Secretary, regarding plantation of tea in allotted lands. This will be addressed in the next Core Group meeting.

4. Matters relating to the Act pending at the level of Government of India:

(i) Government of Orissa have requested for issue of directions on the following points, subsequent to the issue of Ministry of Environment & Forests letter No. 12-1/2006-FP dated 23.9.2010, addressed to the Chief Secretaries of all States for compliance of action on plots of forest land recognized for forest right:

- (a) For physically posting of pillars over boundary of recognized forest rights area of individual, if within a Reserve Forests Block or if not

overlapping with a revenue plot(s), which may require additional expenditure and implementation cost of a few crores over 2.30 lakhs title holders of Orissa presently.

- (b) For bringing scattered plots recognized with forest rights consolidated in one corner of forest through amendment of rules for empowerment of Gram Sabha/ SDLC/ DLC to undertake such exercise after forest rights recognition process is completed and on unconditional willingness of title holder, as present provisions of FRA 2006 & Rules thereon do not permit this.

(ii) Government of Orissa have also requested for issue of clarifications/ guidelines on the following points:

- (a) Fixing up of a time limit for filing and deciding the claims under the Forest Rights Act, 2006 to enable issue of a certificate as required by Ministry of Environment & Forests' circular No. 11-9/1998-FC(pt.) dated 3.8.2009 for diversion of forest land for non-forest purposes under the Forest (Conservation) Act, 1980.
- (b) In cases where there are no villages inside Reserve Forest areas or unsurveyed forest areas, but the Scheduled Tribes/OTFDs, irrespective of where they stay, graze their cattle, or claim to collect MFP etc, then which Gram Sabha and at what distance from the concerned forest land should initiate action for settling the community rights of ST/ OTFDs in such forest areas which are beyond the limits of a village boundary. Also, in the case of a forest diversion proposal, which Gram Sabha at what distance, should initiate action to enable the State Government to issue a certificate as required under a circular issued by MoEF on 3.8.2009 that the proposal for diversion of forest land has been placed before each Gram Sabha of forest dwellers under the FRA.

- (c) Whether it is mandatory to complete the process of FRA, 2006 or to obtain the consent of Gram Sabha before diversion of any forest land for non-forest purposes can be allowed, as required under the circular dated 3.8.2009, issued by the M/o Environment & Forests.
- (d) Whether after vesting of forest rights of STs and OTFDs on a particular forest area, can the same forest area be diverted for non-forest use for developmental project or not. If diversion of such forest land is permissible (which is essential for development of the State) whether the vested forest rights need to be compensated for and if 'yes' how? Is there any norm to compensate such forest rights? Can the forest rights be suspended, acquired or taken away by the State if situation demands?

(iii) Government of Madhya Pradesh have requested clarifications on the following points:

- (a) Status of ownership right of the forest rights holders under the Act over the forest land.

	15) <u>Problems/Remarks:</u> State Govt. has informed that though they have constituted the SDLC, DLC and SLMC under the Act but unlike the other States where the STs and other traditional forest dwellers are in minority, Arunachal Pradesh is wholly domiciled by various ethnic tribal groups whose land and forests are specifically identified with natural boundaries of hillocks, ranges, rivers and tributaries. Barring few pockets of land under wildlife sanctuaries, reserved forests, most of the land in entire State is community land. Territorial boundaries of land and forest belonging to different communities or tribes are also identified in the same line leaving no scope for any dispute over the possession of land, forest and water bodies among the tribes. Therefore, Forest Rights Act does not have much relevance in Arunachal Pradesh.	-
